WALK *Across* Tennessee

Walk Across Tennessee can give you and your friends, co-workers, family etc. the jump start you need to healthier living. Competition also gets motivation going too.

For eight weeks, teams of up to eight will work together to walk the 500 miles it would take to walk all the way across Tennessee. Other types of exercise are encouraged also. An exercise conversion chart is included in the registration packet. Whatever exercise you choose, it must be intentional exercise (not just wearing a pedometer all day) and get your heart rate up for at least 15—20 minutes. The team to log the most miles will win a rotating trophy and other prizes! There will also be team prizes for weekly challenges.

Please turn in this registration form on or before this day to your team captain. Team totals will be placed on a map at shelter #1 each week at Greenbrook Park. We will also notify through email and the Walk Across Tennessee DeKalb Facebook page.
