Mail Procedures

Campers can send or receive mail while at camp.

Campers Receiving Mail:

- To ensure that each camper receives their mail while they are here at camp please inform the parents that envelope must be addressed with the following information:
 - **Return Address:** This address will allow us to return the letter if it arrives after the camper has gone home. **Home County-Camp**
 - **Address:** The home county is the county that the camper is attending camp with. This will expedite the camper letter retrieval process! (Example: Sumner County - Camper Name, 4-H Center, 62 4-H Center Dr, Crossville, TN 38572)
- Please do not send camper items that must be signed for. The 4-H center staff is not allowed to sign for camper's item. Camper mail will be given to Co-Directors who will distribute to the County Agent. The County Agent will be responsible for getting the mail to the proper camper.

Campers Sending Mail:

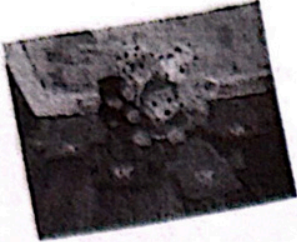

- A mailbox will be located at the Canteen for campers to mail letters home during their camp.
- Please make sure that campers have paper, pens, addressed envelopes, and stamps. An effortless way for campers to send mail home is to bring postcards. You can purchase postcards with the postage already on them from your local post office. Please ask your parents to make sure that their campers know how to address an envelope or postcard; otherwise, send them with the address already on them. Do not forget to make sure campers have stamps for outgoing mail.

ABOUT THE BEADS

In an effort to get campers to try new activities that may be outside their comfort zone, we have developed a bead program. Once campers arrive, they are given a bracelet that will hold beads. Campers are encouraged to visit different areas on camp and participate in specialized activities. There are around 19 beads in total that campers can collect once they have visited the activity area. The activity facilitator will be responsible for giving out the beads. A camper must collect at least 10 beads in order to receive the magic bead at the end of the week. The magic bead will be given out on Thursday nights during closing activities.
